

DIFFERENT SPOKES FOR DIFFERENT FOLKS

ROAD CYCLING

Western Australia has some of the best places to ride in Australia. Whether you are looking for a casual ride or to compete, there are numerous options to get out on your bike.

TRACK CYCLING

Track is one of the oldest and most exciting forms of the cycling. The Midvale SpeedDome is the home of track cycling in Western Australia.

MOUNTAIN BIKING

WA is blessed with some of the best off-road riding conditions in the world and with more and more people taking up mountain biking the network of trails is set to expand. With a range of trail styles for a variety of ability levels, anyone can get out onto the dirt.

BMX

BMX is one of the most exciting forms of riding, which appeals to all age groups from two years and up. Western Australia has a thriving BMX scene and provides a great way for kids to get into riding in a supportive environment.

CYCLOCROSS

Races consist of many laps of a short 2.5 – 3.5km course featuring pavement, wooded trails, grass, steep hills and obstacles requiring the rider to quickly dismount, carry the bike while navigating the obstruction and remount.

TRANSPORT CYCLING

Riding for transport is a great way to include physical exercise into your daily routine. Whether you cycle the whole way or combine it with public transport, the benefits are numerous.
